

A DIVISION OF RICHNATION GLOBAL LTD

RICHNATION MALL

Partnership Agreement

& Investment Prospectus

WELCOME TO RICHNATION

A mission with six divisions, one is Mall

RichNation Global Ltd (RC 8998019) is a faith-centered digital media and education company built around one mission: **Build People, Build Platforms, Create Millionaires.** We operate across six divisions — RichNation Academy, RichNation Music, RichNation Animation, RichNation Podcast (WBPT — We Bring People Together), RichNation Stories, and RichNation Mall — serving Nigeria and the broader African diaspora.

This partnership program is run through **RichNation Mall**, our e-commerce division — already built, live, and operational at richnationmall.com, with a full e-commerce system, Paystack payments, order tracking, 7-day returns, nationwide delivery across all 36 states, and international shipping.

This document explains how the partnership works, what each package offers, and the terms that govern our relationship with every partner who joins us. We've written it to be read and understood, not just signed — if anything here needs more explanation, our team is always ready to talk it through.

THE OPPORTUNITY

We are not starting from zero

Nigeria's e-commerce market is one of the fastest growing in Africa, and RichNation already has a community, a brand, a YouTube audience, and a digital presence most new businesses do not have. We are scaling from a foundation that is already built.

We are raising **₦7,000,000** in partnership capital to fund the next phase of RichNation Mall's growth — stocking it, marketing it, and scaling it. This is your opportunity to be part of it from the very beginning.

And this is the part worth sitting with: your investment is not locked to what RichNation Mall is today. It grows as the business grows. Every new customer, every new product line, every state we reach adds to something you already hold a piece of. You are not just funding a launch — you are planting something early, and growing with it.

INVESTMENT PACKAGES

Four tiers, one minimum

Your return rate is fixed for your chosen package at the time you join — any future rate changes RichNation makes apply only to new partnerships, not yours.

PACKAGE	MINIMUM	ANNUAL RATE	MONTHLY (ON MIN.)	BEST FOR
Bronze	₦200,000	12%	₦2,000	An accessible entry point for first-time partners
Silver	₦500,000	15%	₦6,250	A step up for partners ready to grow their stake
Gold	₦1,000,000	18%	₦15,000	Our most popular tier, for serious long-term partners
Platinum	₦2,000,000	22%	₦36,667	Our top tier, for partners who want maximum involvement

Monthly figures are illustrative, calculated on the minimum investment for that tier. Your actual monthly amount scales with what you invest.

INVESTMENT STRUCTURES

Choose how your return works

Within any package, you choose how your return is structured:

- **Monthly Profit Share** — earn a share of profits on a regular monthly cycle.
- **Equity Ownership** — hold a stake tied to RichNation's overall growth and capital raised.
- **Fixed Return** — a guaranteed annual rate for the term you agree to, offering more certainty in exchange for a firm commitment.

Partners may request to switch structures after a minimum 3-month holding period, subject to admin approval. Switching resets your payout timeline from the date of the switch. Leaving a Fixed Return

structure before its agreed term ends requires separate admin approval, since it affects a guaranteed commitment.

WHAT YOUR ₦7,000,000 WILL BE USED FOR

Every naira, accounted for

Here's exactly how the raised capital will be deployed into building and growing RichNation Mall.

Marketing & Customer Acquisition	₦1,300,000	Facebook, Instagram, TikTok, YouTube campaigns, and WhatsApp broadcast to our existing community
Warehouse / Office Space	₦600,000	Renting a physical space to serve as our storage, packaging, and dispatch hub for faster order fulfilment

Technology & Platform	₦900,000	Website performance, mobile optimisation, inventory management system
Staff & Operations	₦900,000	Customer support, order management, content creation, and day-to-day operations

WHY INVEST NOW

Five reasons this is the moment

We are already built

Most proposals ask you to fund something that doesn't exist yet. RichNation Mall already exists — the website is live, the payment system works, the delivery structure is ready. You are funding the launch of something already operational, not a dream.

We already have an audience

RichNation WBPT has a YouTube channel, a podcast, a social media community, a WhatsApp network, and thousands of followers who already know, trust, and engage with this brand — the mall's first customer base before a single naira is spent on advertising.

E-commerce in Nigeria is growing fast

More Nigerians shop online every year. Getting into this market now, at the beginning of RichNation Mall's journey, is the position every investor will wish they had taken in five years.

A founder with skin in the game

Ubong Rich built RichNation from nothing. This is his brand, his reputation, his community, and his life's work — the strongest guarantee any investor can have.

Full visibility

Unlike most opportunities where you send money and hope for the best, RichNation gives every partner a private investor portal with live data, monthly updates, direct founder access, and signed documents.

The agreement, in full

This agreement governs the relationship between RichNation Global Ltd and any individual who becomes a partner through our investment program. By applying to partner with RichNation, you agree to the terms below.

01 Eligibility & Application

- You must provide accurate, truthful information in your application — full name, contact details, and any documentation requested. False information is grounds for rejection or termination of partnership.
 - Approval is at RichNation's sole discretion. Approval is not guaranteed.
 - You must be legally able to enter into this agreement under the laws of your jurisdiction.
-

02 Investment & Returns

- Your return rate is fixed at the rate active for your chosen package on the date your partnership is approved.
 - Returns are not guaranteed to a specific date unless you have chosen the Fixed Return structure; Profit Share and Equity structures depend on RichNation's actual performance.
 - RichNation does not guarantee a fixed payout calendar beyond what is communicated to you directly; payouts are recorded and made visible in your dashboard as they occur.
-

03 Payments & Banking

- Payouts are sent to the bank details you provide. You are solely responsible for the accuracy of these details — RichNation is not liable for funds sent to an incorrect account you supplied.
 - Withdrawal requests are reviewed and processed by our team; available balance is always visible in your partner dashboard.
-

04 Switching & Exiting

- Partnership structures may be switched once every 3 months at minimum, and only after a 3-month holding period from your join date or last switch.
 - Switching resets your payout timeline from the date of the switch.
 - Exiting a Fixed Return structure before its agreed term requires admin approval, given the guaranteed commitment involved.
-

05 Communication

- Partners have access to a direct messaging channel with RichNation leadership through their partner portal.
 - RichNation will communicate material updates — performance updates, policy changes, or anything affecting your partnership — through the portal and, where appropriate, directly.
-

06 Confidentiality

- Both parties agree to keep the specific financial terms of this partnership confidential, except where disclosure is required by law or necessary for the partner's own tax or legal obligations.
-

07 Risk Acknowledgement

- As with any investment, partnering with RichNation carries risk. Profit Share and Equity returns are tied to business performance and are not guaranteed. Partners should only invest amounts they are genuinely able to commit.
-

08 Termination

- RichNation may end a partnership for violation of these terms, fraudulent activity, or conduct that harms RichNation or its other partners.
 - A partner may exit voluntarily by contacting our team; any earnings genuinely owed are still paid out according to Section 3.
-

09 Changes to This Agreement

- RichNation may update these terms with notice through the partner portal. Continued partnership after an update constitutes acceptance of the revised terms. Your fixed return rate, once locked in, is not affected retroactively by future rate changes.
-

10 Governing Law

- This agreement is governed by the laws of the Federal Republic of Nigeria.
-

IMPORTANT NOTICE

RichNation Mall is a business investment, not a bank product, a loan, or a deposit. Profit Share and Equity returns are tied to the real performance of RichNation Mall and are not insured or guaranteed by any government or financial institution. As with any business investment, your capital is at risk. Please read this agreement carefully, and seek independent financial or legal advice if you are unsure, before you invest.
